Anne Juren is a choreographer, dancer, artist researcher and Feldenkrais practitioner born in France. She lives and works in Vienna, where she founded the Wiener Tanz- und Kunstbewegung association in 2003. Juren's choreographic and artistic works are shown in theatres and museums, at festivals and at biennial exhibitions worldwide. In her artistic practices, Juren seeks to expand the concept of choreography by exploring the body's sensorial, kinaesthesia and soma poetics. Juren has been a Feldenkrais practitioner and soma therapist since 2013. In 2021, she finished her PhD at the Stockholm University of the Arts under the supervision of André Lepecki and Sandra Noeth.
